## Updating of Country Representatives 2024

Over 100 country representatives of the IASS across all continents, and are continually seeking out new country representatives for countries without representation

The role of the country representative is to:

- (1) Support recruitment drives
- (2) Engage with their country networks in requesting IASS conference support funding or sponsoring sessions at local workshops
- (3) Contribute to our twice-yearly journal: **The Survey Statistician**, by producing articles on activities and applications related to survey statistics in their countries.

## Strategic Document – 2024-2025

[http://isi-iass.org/home/wp-content/uploads/IASS-Strategy2023-2025\\_V2.pdf](http://isi-iass.org/home/wp-content/uploads/IASS-Strategy2023-2025_V2.pdf)

1. Continuous monitoring and updating of country representatives with more communication on a regular basis
2. Active recruitment drives and targeted individual and institutional memberships
3. Build new partnerships with survey organizations and private companies
4. Increase visibility and recruitment through sponsoring invited sessions at conferences/workshops
5. Contribute to statistical capacity building and short courses
6. IASS Satellite Conference to the World Statistics Congress
7. Continue to expand social media platforms
8. Promote early-career survey statisticians through the new section of the Survey Statistician and mid-career survey statisticians through the Hukum Chandra prize

## 2024 Webinars/conferences/other events

Four conferences/workshops

1. A Workshop on The Visualization of Surey Data Using R, sponsored by the Department of Statistics at the Federal University of Agriculture, Ogun State, Nigeria, on Wednesday, January 24th, 2024
2. A Workshop on Small Area Estimation, that was held hybrid at the Joint Program in Survey Methodology (JPSM), University of Maryland on Friday, March 15th, 2024 (no-cost support)
3. A Workshop on Current Practices of Sample Design in National Surveys in Nepal, organized at the Tribhuvan University, Nepal on Friday, July 19th, 2024.
4. 13th edition of the International Francophone Colloque on Sample Surveys, University of Luxembourg, Tuesday, November 5th -8th, 2024.

## 2024 Webinars/conferences/other events

### IASS Contribution to Conference and Workshops:

1. ISTAT Third Workshop on Methodologies for Official Statistics, Rome, Italy on December 4th-5th, 2024, IASS special invited session titled:  
Advancements in Small Area Estimation with a Focus on Using Non-survey Data in the Estimation
2. The International Canadian Methodology Symposium, Ottawa, Canada on October 29th-November 1st, 2024, IASS special invited session titled:  
Small Area Estimation: Extensions, Applications and New Developments

## IASS Webinars 2024

See <http://isi-iass.org/home/webinars/> for the presentations and <https://www.isi-web.org/courses-webinars-workshops> for the recordings

IASS Webinar 36: Latent Variable Models for Finite Population Inference, by Maria Giovanna Ranalli

IASS Webinar 37: New Developments in Small Area Estimation: A Practitioner's Perspective, by David Newhouse

IASS Webinar 38: Data Integration, Data Linkage, and Linked Data Analysis, by Tiziana Tuoto

IASS Webinar 39: Model-Based Optimal Designs for a Multipurpose Farm Survey, by Jay Breidt

IASS Webinar 40: An Estimation of Variance of Random Effects to Solve Multiple Problems in Small Area Estimation, by Masayo Y. Hirose

IASS Webinar 41: postponed to IASS Webinar 49 in February 2025

## IASS Webinars 2024

IASS Webinar 42: Leveraging AI for Survey Research, by Frauke Kreuter

IASS Webinar 43: Advancing Poverty Mapping –Applications and Validations Using Modern Methods; Sustaining Poverty Gains: A Vulnerability Map to Guide Social Policy in Senegal; Poverty Mapping in the Age of Machine Learning, by Paul Corral, Heath Henderson and Oscar Barriga

IASS Webinar 44: Random Forests and Mixed Effects Random Forests for Small Area Estimation of General Parameters, by Nikos Tzavidis

IASS Webinar 45: A Nested Error Regression Model with High Dimensional Parameter for Small Area Estimation (the 2024 Hukum Chandra Memorial Prize Lecture), by Nicola Salvati

IASS Webinar 46: Mapping Population Distributions and Demographics Through Geospatial Data Integration (WorldPop), by Andrew Tatum

IASS Webinar 47: Data-driven Area-specific Selection of Synthetic or Nested-error Models, by Isabella Molina

## 2024 IASS Awards

### 2024 Hukum Chandra Memorial prize

Prize selection committee members: Eric Rancourt (Chair), Sharon Lohr Siu-Ming Tam and Nancy McBeth

Dr. Hukum Chandra was a survey statistician from India who passed away due to COVID-19 in 2021. The memorial prize has been created to honour his memory. The prize is awarded to a mid-career statistician whose work is related to that of Hukum Chandra

The committee agreed to award the 2024 Hukum Chandra Memorial Prize award to Dr. Nicola Salvati, University of Pisa, for his paper: 'A nested error regression model with high-dimensional parameter for small area estimation' (with Partha Lahiri)

The committee was impressed by the quality and scientific rigour of the paper and the quality of Nicola Salvati's CV. The winner of the prize received 500 euros and presented his work at the IASS October 2024 Webinar

## 2024 IASS Awards

### Call for the 2025 Cochran-Hansen Prize

The Cochran-Hansen Prize is awarded every two years for the best paper on survey research methods submitted by a young statistician from a developing or transition country. A call for the 2025 prize was sent out in October 2024 and the deadline for submission of papers was February 28th, 2025. The 2025 Cochran-Hansen Prize Committee chair: Eric Rancourt

The Cochran-Hansen Prize consists of expenses up to €1500 to present his or her paper at the 65<sup>th</sup> World Statistics Congress (WSC) of the International Statistical Institute to be held in The Hague, The Netherlands, 5-9 October 2025. This recognition will cover the WSC registration, travel expenses to the conference as well as participation in a short course

## The Survey Statistician 2024

Editors: **Danutė Krapavickaitė** (Vilnius Gediminas Technical University, Lithuania)  
and **Alina Matei** (University of Neuchatel)

### Section Editors:

**Peter Wright:** Country Reports

**Ton de Waal:** Ask the Experts

**Annamaria Bianchi:** New and Emerging Methods

**Gaia Bertarelli:** Book and Software Review

**Veronica Ballerini:** Early Career Survey Statistician

Production and Circulation: **Francesco Pantalone** (from July 2024), **Maciej Beręsewicz** (up to January 2024)

## The Survey Statistician January 2024 (Issue 89)

**Regular sections:** Letters from the Editors, President and Scientific Secretary; News and Announcements; Upcoming Conferences and Journal articles.

**Country Reports:** Argentina, Canada, Fiji, Finland, France, Hong Kong S.A.R., The Netherlands, New Zealand, Peru, Switzerland, and the United States.

This issue included:

A Tribute to the Centenarian Statistician C. R. Rao, by Arni S. R. Srinivasa Rao, T. Krishna Kumar and Pramod Kumar Pathak

In continuation of the **IASS 50- year jubilee celebration:**

The First Fifty Years of the IASS, Some Thoughts by Carl-Erik Särndal

A Collection of Past President's Testimonials and Reflections on the IASS edited by Annamaria Bianchi

## The Survey Statistician January 2024 (Issue 89)

**Ask the Experts section:** What is the State of Play on Statistical Matching with a Focus on Auxiliary Information, Complex Survey Designs and Quality Issues?, by Marcello D’Orazio, Marco Di Zio and Mauro Scanu

**New and Emerging Methods section:** Social Big Data to Enhance Small Area Estimates, by Stefano Marchetti and Francesco Schirripa Spagnolo;

**Book review:** A Course on Small Area Estimation and Mixed Models Methods, Theory and Applications in R, by Domingo Morales, Maria Dolores Esteban, Agustin Perez and Tomas Hobza, and reviewed by Caterina Giusti

**Software review:** SAE Models for Indicators in the Unit Interval: The tipsae R package and its Shiny Interface, reviewed by Silvia De Nicolo and Aldo Gardini

**Early Career Survey Statistician:** The Growth of New Researchers in the Era of New Data Sources, by Veronica Ballerini and Lisa Braitto

## The Survey Statistician July 2024 (Issue 90)

[http://isi-iass.org/home/wp-content/uploads/Survey\\_Statistician\\_2024\\_July\\_N90.pdf](http://isi-iass.org/home/wp-content/uploads/Survey_Statistician_2024_July_N90.pdf)

**Regular sections:** Letters from the Editors, President and Scientific Secretary; News and Announcements; Upcoming Conferences and Journal articles. Country Reports: Argentina, Canada, Croatia, Estonia, Hong Kong S.A.R., Hungary, The Netherlands, New Zealand, Nigeria, Poland, Ukraine and the United States

This issue included:

In continuation of the **IASS 50- year jubilee celebration:** Early Scandinavian Contributions to Survey Sampling by Thomas Laitila

**New and Emerging Methods section:** From Traditional to Modern Machine Learning Estimation Methods for Survey Sampling by Camelia Goga

## The Survey Statistician July 2024 (Issue 90)

**Book review:** Sampling and Estimation from Finite Populations, by Yves Tillé and reviewed by Angelo Moretti

**Software review:** Inference with Non-probability Surveys, by Beatriz Cobo, Ramón Ferri-Garcia, Jorge L. Rueda-Sánchez and Maria del Mar Rueda

**Early Career Survey Statistician:** The Use of New Data Sources in Small Area Estimation, by Camilla Salvatore and Angelo Moretti

## IASS Regular Activities

**President, Finance Officer and Webmaster:** Natalie Shlomo

**Scientific Secretary:** Annamaria Bianchi

*IASS representative on the ISI publications committee*

*New and Emerging Methods*

**Newsletters:** Jiraphan Suntornchost

*IASS representative on the 2023 WSC short course committee*

**Liaison with ISI EC and ISI PO plus administrative matters:** Partha Lahiri

*IASS representative on the 2025 WSC scientific programme committee*

**Chair of the 2024 Hukum Chandra prize committee and 2025 Cochran-Hansen prize committee:** Eric Rancourt

**IASS Webinar Series:** Andres Gutierrez

**Social Media Manager:** Annamaria Bianchi

## IASS Regular Activities

**Country Representatives:** We now have a community of over 100 **country representatives** of the IASS across all continents but we still have many countries where there is no representative

Please volunteer! Country representatives actively submitting country reports to the Survey Statistician

**IASS 2025-2027 Executive Committee Nomination committee:** Monica Pratesi (chair), Guillaume Chauvet, Andreea Erciulescu, Andres Gutierrez and Anders Holmberg

## Conference Support 2025

1. Workshop on Using Geospatial Data (hybrid) held on January 20th, 2025 in Chulalongkorn University, Bangkok, Thailand and co-sponsored by the Joint Program in Survey Methodology, University of Maryland (No-cost support)
2. Workshop on Statistics Research in Data Science (hybrid) to be held on March 5th, 2025 at the Joint Program in Survey Methodology, University of Maryland (No-cost support)
3. IASS-RSS\_NLG2025 International Conference titled: Power of Statistics for a Better Future, to be held on March 5th-6th, 2025 at Ogun State, Nigeria
4. JPSM Distinguished Lecture 2025 with Andrew Gelman, PhD.: Generalizing for Sampling and Causal Inference, April 28th, 2025. University of Maryland (No-cost support)

## Conference Support 2025

5. Workshop on Survey Sampling in Honour of Professor Yves Tille on the Occasion of his Retirement, to be held on June 25th-26th, 2025 at Neuchatel, Switzerland
6. Baltic-Nordic-Ukrainian Network (BNU) Workshop on Survey Statistics Theory and Methodology to be held August 25th-29th, 2025 at Vilnius Gediminas Technical University, Faculty of Architecture, Lithuania.
7. ENBES, the European Network for Better Establishment Statistics, 9th, biennial European Establishment Statistics Workshop (EESW25), to be held on November 5th-7th, 2025 in Rome, Italy.

The IASS is sponsoring  
11 sessions covering  
both traditional  
statistical research  
in survey statistics  
and new developments  
related to new forms of  
data and innovation

Proposer	Country	Proposal Title
Dr Johanna Laiho-Kauranne	Finland	How Societies Are Portrayed via Their Digital Resources, Activities and Economies and Does This Convene With the Traditional Statistical Profiles
Tiziana Tuoto	Italy	Integrating Mobile Network Operator Data with Official Statistics
Prof. Peter J. Lynn	United Kingdom	The Future of Social Surveys: Adapting to a Changing World
Prof. Anne Ruiz-Gazen	France	Bridging Academia and Official Statistics: Examples of European Experience
Mr Barry Schouten	Netherlands	Smart Survey Methodology
Dr Wendy Martinez	United States	Assessment and Improvement of Data Quality Through Use of Auxiliary Information and Record Linkage
Anders Holmberg	Australia	Advances in the Reduction of Bias Through Adaptive Design and Nonresponse Adjustments
Dr John Lamont Eltinge	United States	Enhancing Public Confidence in Analytic Quality and Privacy Protection for Public-Use Statistics
Drs Eric Schulte Nordholt	Netherlands	Improving Access to Microdata for Researchers
Dr Danute Krapavickaite	Lithuania	Non-probability and Probability Sample Integrated Estimators for the Population Parameters
Prof. Natalie Shlomo	United Kingdom	Data Integration for Producing Official Statistics: Where are We Headed?

## IASS Sponsored Invited Sessions 2025

There will be two Special Invited Paper Sessions (SIPS) sponsored by the IASS:

- SIPS IASS President's Invited Speaker Session featuring Prof. Yves Tille from the University of Neuchâtel with discussants Changbao Wu and Pedro Silva
- SIPS Cochran-Hansen Prize Session featuring the 2025 Cochran-Hansen prize winner: Dr. Saurav Guha (India) on his paper: "Small area estimation under a spatially correlated multivariate area-level model" that he co-authored with the late Hukum Chandra

There are several relevant short courses:

- Geographically Weighted Regression – Understanding the Spatial Heterogeneity
- Modern Sampling Algorithms for Surveys with Applications in R
- Making sense of Data from Multiple Sources
- Statistical Disclosure Control

## IASS Satellite Conferences to the 2025 WSC

9th Italian Conference on Survey Methodology and International Association of Survey Statisticians (**ITACOSM2025 - IASS**) Satellite Conference, July 1 - July 4, 2025, Bologna Italy <https://eventi.unibo.it/itacosm-2025>

Keynote speakers: **Alina Matei, Nikos Tzavidis, Jean-Francois Beaumont, Bella Struminskaya, Michael Elliot and Pier Francesco Perri**

Two half-day short courses:

Course 1 (9.30 am-1 pm): Advanced sampling and estimation methods with R  
Lecturer: Alina Matei

Course 2 (2.15 pm-5.45 pm): Introduction to Small Area Estimation (SAE) and some topics of recent research interest  
Lecturer: Nikos Tzavidis

Call for the **Survey Methodology** special issue:

<https://www150.statcan.gc.ca/n1/pub/12-001-x/call-appel-eng.htm>

## IASS Satellite Conferences to the 2025 WSC

Small Area Estimation Conference (**SAE 2025**): An International Conference on Small Area Estimation, Surveys and Data Science, July 7-11, 2025 in **Torino, Italy** (sponsored by the IASS and IAOS) <https://www.sae2025.org/>

Keynote speakers: **Partha Lahiri and Raymond Chambers**

Two short courses:

Course 1: Graph Sampling and graph representation learning: Lecturer: Li-Chun Zhang

Course 2: Conformal Prediction in Survey Sampling: Lecturer: Brunero Liseo

The IASS congratulates **Ray Chambers** for winning the **2025 Small Area Estimation Award**.

## 2025 Webinars

- IASS webinars continuing with great success into 2025
- Between 100 and 300 registered participants (with IAOS)
- <http://isi-iass.org/home/webinars/> for slides and link to recordings
- Recent webinars:

**Webinar 54:** Debiased Calibration Estimation Using Generalized Entropy in Survey Sampling, Jae-Kwang Kim, July 30 2025, 2pm – 3:30pm (CET)

[https://us06web.zoom.us/webinar/register/1517437711323/WN\\_vh\\_eaGeOQZKu5tu8FWMn-A#/registration](https://us06web.zoom.us/webinar/register/1517437711323/WN_vh_eaGeOQZKu5tu8FWMn-A#/registration)

**Webinar 55:** Cancelled due to illness, rescheduled December 17<sup>th</sup> 2025

**Webinar 56:** Targeted Designs to Address Survey Nonresponse, Peter Lynn, September 24 2025, 2pm – 3:30pm (CET)

**Webinar 57:** Sampling for Business Surveys at Statistics Canada, Waksberg Award Recipient, Mike Hidioglou with an introduction by Jean-Francois Beaumont, October 29 2025, 2pm – 3:30pm (CET)

## IASS 2025 Cochran-Hansen Prize

The Cochran-Hansen Prize of the IASS is awarded every two years for the best paper on survey research methods submitted by a young statistician from a developing or transition country. The winner receives up to €1500 to present the paper at the IASS SIPS of the 2025 WSC (to include travel, registration, accommodation and a short course)

The **2025 prize committee**: Eric Rancourt (chair), Katherine Jenny Thompson and Li-Chun Zhang. The 2025 Cochran-Hansen prize goes to:

Dr. **Saurav Guha** (India) for his paper: “Small area estimation under a spatially correlated multivariate area-level model” that he co-authored with the late Hukum Chandra

Dr. Saurav Guha is Assistant Professor-cum-Jr. Scientist at the Department of Statistics, Mathematics & Computer Application in Bihar Agricultural University, Bhagalpur, Bihar, India.

**Danutė Krapavickaitė**

# The Survey Statistician in 2025

**Editorial team has been stable for the last few years**

From August 2025 (after the July 2025 issue) Danutė Krapavickaitė will be stepping down as Editor-In-Chief and **Alina Matei** will be replacing her

Danutė has been working in this role from July 2018 to July 2025

The IASS is formally recognizing Danutė's commitment and contribution to the journal with an ISI/IASS Outstanding Service Award at the upcoming WSC 2025

We are pleased to announce the new Associate Editor-In-Chief from August 2025 is **Andrea Diniz da Silva** (Brazil).

# The Survey Statistician July 2025

**History:** A Brief History of Household Surveys in Latin America, by Andrés Gutiérrez and Xavier Mancero

**Ask the Experts:** Over 50 Years of Probabilistic Record Linkage: A Journey with Three Selected Stops, by Tiziana Tuoto

**New and Emerging Methods:** Successfully Navigating the Disruption AI will Bring to Survey Research, by David M. Rothschild, Trent D. Buskirk, Stephanie Eckman, D. Sunshine Hillygus, Frauke Kreuter and David Lazer

**Early Career Survey Statistician:** A Way to Manage a Stratification on Continuous Variables, by Ilaria Bombelli and Giorgia Sacco

**Early Career Survey Statistician:** An Investigation of Sampling Design and Estimation in Environmental Surveys, by Francesco Pantalone

# The Survey Statistician July 2025

- **Book & Software Review:** Mixed- Mode Official Surveys: Design and Analysis (CRC Press, 2022) authored by Barry Schouten, Jan van den Brakel, Bart Buelens, Deirdre Giesen, Annemieke Luiten, and Vivian Meertens. The book is reviewed by Alberto Arletti
- **Country Reports:** Canada, Croatia, France, Hong Kong SAR, The Netherlands, New Zealand, Poland, United States
- **Regular content:** Letters from the editors, President and Scientific Secretary, Upcoming conferences and journals, News and Announcements

# The Survey Statistician

- The editors thank all of the authors who have made an input to any of the issues of the journal
- They invite survey statisticians to write for the journal with an overview of their research or some topic under study, including new methods, ongoing discussions in seminars and in workshops. Please share your experiences with others, ask the questions for the Ask the Expert section and provide proposals
- Let ***The Survey Statistician*** be the **online communication means** between the survey statisticians across different continents, countries, ages and experiences!!
